You already know about the quality of John Deere riding lawn equipment. Whether it’s a Select Series lawn and garden tractor, a 100 Series tractor, or the EZtrak line of zero-turn-radius mowers, we pride ourselves on making lawn equipment that delivers superior mowing performance, season after season.

But our riding lawn equipment does much more than mow. Versatility is built into every machine, especially when you look at our premium line of Select Series tractors. With features like hydraulic clutch PTOs and thick C-channel steel frames, the Select Series has the power and backbone to take on serious implements like tillers, tractor shovels, and snow blowers. You’ll find plenty of attachment options for all our riding equipment, from bumpers to baggers, tow carts to tractor covers.

And when you decide on the implement or attachment you want, call your local John Deere dealer. John Deere dealers are people who are in touch with your local community, who understand what it takes to maintain your land. Their factory-trained service and parts professionals ensure that your equipment keeps working as hard as you do.
With the exclusive CargO Mount™ system, your 100 Series tractor can do more than just mow. And you can accessorize with sensible attachments like a sun canopy or a tractor cover.
1 Sun Canopy
Provides protection from the sun’s rays and gives the operator some cooling shade during hot summer days.
Fits all 100 Series tractors

2 6.5-Bushel Hopper and Chute
Provides an efficient means of collecting grass clippings and leaves. The hopper design provides great bagging performance, cleaner operation, and easy-to-empty bags.
Fits all 42-in. 100 Series mower decks
Fits all 48-in. 100 Series mower decks

3 6.5-Bushel Hopper, Chute, and Power Flow Blower
Provides an efficient means of collecting grass clippings and leaves using the Power Flow™ material collection system.
Fits all 54-in. 100 Series mower decks

4 Grass Groomer - Lawn Striping Kit
Flexible, durable and non-weight-bearing design make it the perfect solution for pattern mowing.
Fits 42-in. 100 Series mower decks
Fits 48-in. and 54-in. 100 Series mower decks

5 Front Bumper
The front bumper is an optional attachment for lawn tractors. It offers additional front-end protection. The front bumper also provides a more aggressive look for the tractor.

6 Single Bucket Holder
All steel construction can carry up to 40 lb. of material. Easily attaches to the rear CargO Mount without tools. (Requires 5-gallon bucket, LPJD400)
Fits all 100 Series tractors

7 100 Series Snow Cab
Steel-frame cab protects operator from the elements. Internal non-scratch magnets ensure a custom fit. Interior pockets hold accessories.
Fits all L100 and LA100 Series tractors
Fits D100 Series tractors

8 Utility Cart, Poly
* The loaded weight of the utility cart not to exceed the weight of the tractor and operator. The loaded weight of any equipment towed by an EZtrak mower not to exceed 250 lbs.
EZtrak Zero-Turn-Radius Mowers

With a Z200, Z400 or Z600 Series EZtrak Mower, you’ve probably been pleasantly surprised at how easy they are to operate. Here’s another surprise: the many attachments you can put on your EZtrak. Take a look.

1 15-Gallon Sprayer
Spray a variety of liquids, such as liquid fertilizer, weed killer, tree spray and de-icer. Boom sprays a 60-in. swath and a 19-foot hose and spray wand spot sprays lawns, shrubs, etc.

5 6.5-Bushel Hopper and Chute Assembly
The hopper design provides an efficient means of collecting grass clippings and leaves.

For Z225, 42-in. deck
- Hopper: BM23634 $442.00
- Chute: BM23568 $ 72.00

For Z245, 48-in. deck
- Hopper: BM23634 $442.00
- Chute: BM23569 $ 72.00

Total for 6.5 Bushel Hopper and Chute Assembly $514.00

6 6.5-Bushel Hopper and Chute Assembly with the Power Flow System
Provides an efficient means of collecting leaves and grass clippings using the Power Flow material collection system.

For Z425, Z445, 48-in./54-in.
- Hopper: BM23634 $442.00
- Chute: BM21681 $105.00
- Power Flow Blower, 48-in.: SKU21871 $514.00
- Power Flow Blower, 54-in.: SKU21873 $514.00

Total for 6.5 Bushel Power Flow System $1061.00

For Z645/48-in. HC, Z655/54-in. HC (Available Spring 2012)
- Hopper: BM23634 $442.00
- Chute: BM21681 $105.00
- Power Flow Blower, 48-in. HC (Z645) and 54-in. HC (Z655): BM23635 $514.00

Total for 6.5 Bushel Power Flow System $1061.00 (Available Spring 2012)

7 Grass Groomer - Lawn Striping Kit
Lawn striping kit is designed with inherent characteristics of flexibility, durability, and non-weight bearing design, making it the perfect solution for pattern mowing.

For 42-in. mower on Z225
- LP22760 $119.95

- LP1000 $119.95

For 48-, 54-in. HC mower on Z445, Z645, Z655
- LP36265 $119.95

Special Edition Kit
The special edition kit includes the foot extensions (AM137437), rear hitch (AM137381) and rear bumper (AM137380). This kit saves you more versus purchasing the individual items.
- BM22568 $145.00

8 Foot Rest Extensions
Makes mowing more comfortable for the operator. Includes bolt-on left and right foot rests.
- AM137437 $30.68

9 Rear Bumper
Bolts to the tubular frame for solid support. Provides protection for the rear of the EZtrak Mower.
- AM137380 $96.72

10 Rear Hitch
Bolts solidly to tubular frame and provides towing capability. The rear bagger bracket is included with the rear hitch.
- AM137381 $55.13

11 Utility Cart, Poly
Rust- and dent-resistant, the poly cart can be used to haul many types of materials. Easy dump release (the cart angles steeply) for complete emptying.
- 7P (7 cu. ft.) Maximum tow capacity 250 lb.: LP21935 $199.00
- 10P (10 cu. ft.) Maximum tow capacity 250 lb.: LPPC10JD $239.00

12 Foot Lift Kit
Upgrade your EZtrak mower with a foot lift kit to easily raise or lower the mower deck without the use of hands. An operator can quickly lift the mower deck with the foot lift when encountering unexpected obstacles such as tree roots, bottles or rocks.
Z445-54C (SN 60001-80000) and Z465-62C (SN 60001-100000)
- BM22809 $81.00

13 42-in. Lawn Sweeper
Hauls 17 bu. of material. Convenient brush-height adjuster has eight positions. Premium features: adjustable hitch, large 12-in. x 3-in. wheels, and collapsible for storage.
For use on all John Deere Riding Lawn Tractors and EZtrak Series
- LPSTS42JD $349.00

*The loaded weight of the utility cart not to exceed the weight of the tractor and operator. The loaded weight of any attachment towed by an EZtrak mower not to exceed 250 lbs.
Select Series X300 Tractors

Not only are these tractors maneuverability masters, they're also versatility pros.

Whether you want to mulch or bag, we can make it happen for you. Take a look at how your X300 can be a master of efficiency as well.

1  7-Bushel Power Flow System
Provides an efficient means of collecting grass clippings and leaves using the Power Flow material collection system.

X300 Series, except X300R (Requires Power Flow Chute and Blower. Front ballast recommended.)
- SKU 21679  $399.00
- Power Flow Chute (7 bu.) BM21681  $105.00
- Power Flow Blower, 48-in. BM22696  $499.00
- Power Flow Blower, 54-in. BM22697  $499.00

Total for 7-Bushel Power Flow System  $1,003.00

Loose-knit bags for 7-bu. hopper
Loose-knit bags are available to replace the standard bags on rear baggers or Power Flow collection systems. They allow more air to flow through for more complete bag filling.

For 7-bu. rear bagger or Power Flow, 2 required  AM135486  $37.43

2  7-Bushel Rear Bagger System
Provides an efficient means of collecting grass clippings and leaves. The hopper design provides great bagging performance, cleaner operation, and easy-to-empty bags.

X300, X304, X310 (Requires Rear Bagger Chute. Front ballast recommended.)
- SKU 21679  $399.00
- Rear Bagger Chute for 38-in. mower BM20982  $68.00
- Rear Bagger Chute for 42-in. mower BM22594  $84.00

Total for 7-Bushel Rear Bagger System (with 38-in. mower)  $467.00
Total for 7-Bushel Rear Bagger System (with 42-in. mower)  $483.00
3 MC519 Material Collection System
The versatility of two products in one - a utility cart or 19-bu. material collector. Requires Power Flow blower and chute.
X320, X324, X340, X360 with 48- or 54-in. mower
(Requires Power Flow chute and blower for collecting material.)
Power Flow Chute (MC519) BM20855 $79.00
Power Flow Blower, 48-in. BM22696 $499.00
Power Flow Blower, 54-in. BM22697 $499.00
Total for MC519 Material Collection System $1,488.00

4 12-Volt Outlet Kit (X300)
The 12-volt outlet kit can be installed on the tractor to provide power for various 12-volt equipment.
X300 Series AM136716 $18.46

5 Rear Deflector Kit (X300R)
Optional rear deflector for X300R Rear-Discharge Tractor easily installs in place of hopper. No tools required for installation. Deflects clippings in an even pattern behind the tractor.
X300R BM22196 $113.00

6 Grass Groomer - Lawn Striping Kit
Flexible, durable and non-weight-bearing design make it the perfect solution for pattern mowing.
Fits 42-in. X300 Series mower decks LP1001 $99.95
Fits 48-in. and 54-in X500 Series mower decks LP1002 $109.95

7 40-in. Tractor Shovel
Allows tractor to pick up and move material. Opening design and lift height of the blade assure complete emptying of material. When the scoop is raised, the tractor shovel can be used to doze, scrape, or level material.
X300 and X500 Series LP40000 $899.95

8 Winter Grille Cover
Provides faster engine warm-up and higher winter operating temperature. Prevents engine carburetor from “icing-up” while blowing or blading snow, or during similar applications.
X300 Series AM136691 $62.40

9 Sun Shade
Provides an effective way to keep the sun off of the operator. Mounts to the heavy-duty CargO Mounts. The 7-bu. hopper can be installed and used with the sun shade installed.
X300 and X500 Series, except X300R BM23054 $149.00

10 Weather Enclosure (X300)
Steel frame cab protects operator from the elements. Easy entry with hinge-door access. Zippered doors with snap-lock system holds them open.
X300 Series, except X300R LP36740 $426.99

11 25-Gallon Mounted Sprayer (X300/X500 M-T)
Spray a variety of material including liquid fertilizer, weed killer, tree spray and de-icer. Boom sprays 90-in. spray swath. Includes a 19-ft. hose and spray wand for spot spraying lawns, shrubs, etc.
X300 and X500 Series, except X300R LP22861 $449.95

12 Electric Lift Kit
Makes front blade and snow blower implements easier to use and more efficient. Convenient dash-mounted control switch provides controlled downforce for increased usability of front blades. For X300s and X500s equipped with foot lift, except the X300R Rear Discharge Tractor.
X300 and X500 Series, except X300R LP33711 $399.95

Manual Angling Kit
Allows angling blade from the tractor seat for operator convenience.
44-in. Front Blade LP33712 $164.95
(image shown on page 19)

13 Front Weight Bracket/Bumper
Available to replace the tractor’s standard front bumper. Makes Quik-Tatch weights an alternative to front-wheel weights for adding front ballast.
BM23621 $54.00

14 1.5-Amp Battery Charger and Maintainer
Fully automatic 1.5-amp battery charger and maintainer safely charges most batteries that require long storage periods. It is particularly useful during winter months when the vehicle is not being used regularly, to ensure the battery stays charged. Automatically determines if the battery is 6- or 12-Volt and adjusts accordingly.
TY25866 $37.68

15 Plastic Skid Shoe
Reduce scratching of driveway and sidewalk surfaces. Reversible for maximum life.
44-, 47-, 54-in. Snow Blowers, two required M157831 $17.17
Select Series X500 Tractors

Not only are these tractors multi-terrain, they’re also multi-talented. X500s travel where you need to go and do serious work. Heavy-duty frames work with ground-engaging implements like tillers to help you work the land like never before.

1 7-Bushel Power Flow System
Provides an efficient means of collecting grass clippings and leaves using the Power Flow material collection system.

7 Power Integral Hitch
Uses the tractor hydraulics to lift certain rear-mounted sleeve hitch implements.
Compatible with X50, X534 and X540 Multi-Terrain Tractors
LP22835 $369.00

8 Cultivator – Integral (Sleeve) Hitch
Excellent for removing weeds and loosening soil between planted rows. Adjustable widths from 18- to 40-in.
X500 Series (Requires LP31357 Manual Integral Hitch or LP22835 Power Integral Hitch.)
LPCC55 $199.00

9 42-in. Rear Blade – Integral (Sleeve) Hitch
Designed tough and durable to handle grading and backfilling tasks. The blade angles and locks up to 30 degrees and rotates 180 degrees for pushing.
X500 Series (Requires LP31357 Manual Integral Hitch or LP22835 Power Integral Hitch.)
LPBB56 $219.00

10 38-in. Box Scraper – Integral (Sleeve) Hitch
Move material, backfill, grade, landscape or level. The blade angles and locks 30 degrees in either direction for pushing instead of pulling.
X500 Series (Requires LP31357 Manual Integral Hitch or LP22835 Power Integral Hitch.)
LPBS58 $249.00

11 25-Gallon Mounted Sprayer (X300/X500 M-T)
Spray a variety of material including liquid fertilizer, weed killer, tree spray and de-icer. Boom sprays 90-in. spray swath. Includes a 19-ft. hose and spray wand for spot spraying lawns, shrubs, etc.
X300 and X500 Series, except X300R
LP22861 $449.95

12 Moldboard Plow – Integral (Sleeve) Hitch
The rolling Coulter Blade cuts through the soil, the plow digs the furrow, while the moldboard gently turns under old vegetation to make way for new planting.
X500 Series (Requires LP31357 Manual Integral Hitch or LP22835 Power Integral Hitch.)
LP9PS10 $369.00

13 Disk Harrow – Integral (Sleeve) Hitch
Break up chunky, plowed ground and prepare seedbeds with uniform, pulverized soil. The disk angle and spacing can be adjusted according to soil conditions at 10, 15 or 20 degrees.
X500 Series (Requires LP31357 Manual Integral Hitch or LP22835 Power Integral Hitch.)
LP6D55 $249.00

14 Winter grille Cover
Provides faster engine warm-up and higher winter operating temperature. Prevents engine carburetor from “icing-up” while blowing or blading snow, or during similar applications.
X50 (SN 020001- ), X530, X534 (SN 060001- ) AM136691 $62.40
X500 (SN-020000), X534 (SN-060000) AM136692 $75.92

15 Weather Enclosure (X500 M-T)
Steel frame cab protects operator from the elements. Easy entry with hinge-door access. Zippered doors with snaplock system holds them open.
X500 Series
LP36741 $426.99

16 Sun Shade
Provides an effective way to keep the sun off of the operator. Mounts to the heavy-duty CargO Mounts. The 7-bu. hopper can be installed and used with the sun shade installed.
X300 and X500 Series, except X300R
BM2305A $149.00

17 40-in. Tractor Shovel
Opening design and lift height of the blade assure complete emptying of material. When the scoop is raised, the tractor shovel can be used to doze, scrape, or level material.
X300 and X500 Series
LP40000 $899.95

18 Electric Lift Kit
Makes front blade and snow blower implements easier to use and more efficient. Convenient dash-mounted control switch provides controlled downforce for increased usability of front blades.
X300 and X500 Series, except X300R
LP33711 $399.95

19 Manual Angling Kit
Allows angling blade from the tractor seat for operator convenience. 44-in. Front Blade
(image shown on page 19)
LP33712 $164.95

20 Front Weight Bracket/Bumper
Replaces tractor’s standard front bumper. Makes Quik-Tatch weights an alternative to front-wheel weights for adding front ballast.
X50 (SN 020001- ), X530, X534 (SN 060001- ) BM23621 $54.00

21 1.5-Amp Battery Charger and Maintainer
Fully automatic 1.5-amp battery charger and maintainer safely charges most batteries that require long storage periods. Automatically determines if battery is 6- or 12-Volt and adjusts accordingly.
TY25866 $37.68

22 Adjustable Armrest Kit
Will increase operator support and comfort, reducing fatigue and improving productivity, especially when mowing for extended periods of time. Armrest angle is adjustable to suite the operator.
Armrest Kit (21-in. seat, X534 and X540, SN 060001- ) BM23761 $69.00
Select Series X700 Ultimate Tractors

Unlimited possibilities come with the X700 Series. Out of all the Select Series, these are the tractors that do more work, all day long, all year long. It’s the ultimate John Deere. Discover how much more it can do.

- **Total for 14-Bushel Hopper Assembly with 60-in. 7-Iron mower** $1,772.00
- **Total for 14-Bushel Hopper Assembly with 62-in. mower** $1,609.00

### 2. 7-Bushel Power Flow System

- **Provides an efficient means of collecting grass clippings and leaves using the Power Flow material collection system.**
- **X700 Series (Requires Power Flow Blower and Chute and Click-N-Go brackets.)**
  - BM20780 $455.00
- **Click-N-Go Brackets**
  - BM20714 $103.00
- **Power Flow Chute (7 bu.)**
  - BM21681 $105.00
- **Power Flow Blower, 48-in.**
  - BM22696 $499.00
- **Power Flow Blower, 54-in.**
  - BM22697 $499.00
- **Power Flow Blower, 60-in. 7-Iron Deck (Not compatible with Cabs.)**
  - SKU22330 $662.00
- **Power Flow Blower, 62-in.**
  - BM21496 $499.00
- **Total for 7-Bushel Hopper Assembly on 48-in. mower** $1,162.00
- **Total for 7-Bushel Hopper Assembly on 54-in. mower** $1,162.00
- **Total for 7-Bushel Hopper Assembly on 60-in. 7-Iron mower** $1,162.00
- **Total for 7-Bushel Hopper Assembly on 62-in. mower** $1,162.00

**Loose-knit bags for 7-bu. hopper**

Loose-knit bags are available to replace the standard bags on rear baggers or Power Flow collection systems. They allow more air to flow through for more complete bag filling.

For 7-bu. rear bagger or Power Flow, 2 required **AM135486 $37.43**
3 Soft Weather Enclosure
Protects the operator from adverse weather conditions and is ideal for homeowners and others who have a limited amount of snow removal to do and do not require a Roll Over Protection System or ROPS-certified cab.

| X700 Series | BM20482 | $989.00 |

Windshield, Safety Glass
Replaces standard flexible Lexan windshield for improved durability and visibility. Use with hand-operated or electric windshield wipers.

| For Soft Weather Enclosure on X700 Series | BM20923 | $198.00 |

Wiper, 12V Electric
Electric windshield wiper helps keep windshield clear of snow and moisture. Lets the operator focus on running the tractor and equipment.

| For Soft Weather Enclosure on X700 Series | BM20925 | $205.00 |

4 Roll Over Protection System (ROPS) Soft Cab
Provides the operator with protection from the elements. This high-quality, vinyl-door, ROPS-certified cab is more economical than a hard-side cab.

| X700 Series (Compatible with 45 Loader) | 9355M | $2,650.00 |

5 ROPS Hard Cab
High-quality ROPS-certified steel-door cab protects operator from the elements. For commercial customers and others who spend long hours on their tractors, often in inclement weather.

| X700 Series (Not compatible with 45 Loader) | 9354M | $3,795.00 |

Accessories for ROPs Soft/Hard Cab

3 Exterior Rearview Mirror Kit (Set of 2)
Exterior rearview mirrors provide safer operation by letting the operator see what’s behind him or her while facing forward. Two mirrors install on the right and left front corners of the cab.

| For Soft or Hard Cab on X700 Series | BM20931 | $101.00 |

Heater, Tuck-Away
Transfers heat from the liquid-cooled engine to the cab where a fan distributes the warm air. Only works with liquid-cooled engines.

| For Soft or Hard Cab on X700 Series | BM21480 | $404.00 |

Strobe Light
Provides extra visibility for your tractor – warning other vehicle operators that you are in the vicinity. Strobe light is amber colored and designed to mount on the cab roof.

| For Soft or Hard Cab on X700 Series | BM20932 | $134.00 |

Switch Panel Kit/Fuse Block
Allows one electrical wire from the tractor electrical system to provide power for all the cab accessories. Convenient switch panel provides easy-to-access fuse protection.

| For Soft or Hard Cab on X700 Series | BM20930 | $230.00 |

Wiper, Electric
The two-speed electric wiper keeps the windshield clear in any condition, allowing the operator to concentrate on their job.

| For Soft or Hard Cab on X700 Series | BM20934 | $190.00 |

(See image #5)
6 **Deluxe High-Back Seat**
Upgrade your X700 Series tractor with the seat from special edition models. Includes high-back seat with adjustable armrests, back angle and lumbar for lower-back comfort, as well as parallel bar, spring and shock suspension. Attaching parts are required.

**X700 Series**
- Attaching Parts for Deluxe High-Back Seat: BM21332 $135.00
- Total for Deluxe High-Back Seat: $645.00

7 **Front Fender Kit**
Front “Special-Edition” fenders are available (except for X724 and X744 models) for protection from mud and debris. Includes fenders and mounting parts for both front wheels.

**X700, X720, X740** (Not compatible with 48 in. mower deck.)
- BM21536 $140.00
**X728, X748 [MFWD]**
- BM21465 $140.00
**X728, X729, X748, X749 [Full-time 4WD]**
- BM22717 $140.00

8 **MC519 Cart and Material Collection System**
Provides the versatility of two products in one – a utility cart or a 19-bu. material collector.

**X700 Series (Requires blower and chute for collecting material.)**
- Attaching parts for X700 Series (required): BM20919 $46.00
- Power Flow Chute (MC519): BM20855 $79.00
- Power Flow Blower, 48-in.: BM22696 $499.00
- Power Flow Blower, 54-in.: BM22697 $499.00
- Power Flow Blower, 60-in. 7-Iron Deck (Not compatible with Cabs): SKU22330 $662.00
- Power Flow Blower, 62-in.: BM21496 $499.00
- Total for MC519 Cart and Material Collection System with 48-in. mower: $1,534.00
- Total for MC519 Cart and Material Collection System with 54-in. mower: $1,697.00
- Total for MC519 Cart and Material Collection System with 60-in. 7-Iron mower: $1,534.00
- Total for MC519 Cart and Material Collection System with 62-in. mower: $1,534.00

9 **MC542 Material Collection System**
Large 42-bushel capacity with 83-in. clamshell opening. Fits 17P cart. Requires pre-cut mower boot for easy fit to 48-, 54-, 60-, and 62-in. mower decks. 17P cart purchased separately.

**Compatible with X500 Multi-Terrain and X700 Ultimate**

See sales manual for tractor serial number break.
Rotary Tillers / 3-Point Hitch Implements

Preparing seedbeds, plowing a new garden, leveling and grading: it’s all within reach with our rotary tillers and 3-point hitch implements.

1 30-in. Mechanical Tiller
A real time saver for preparing seedbeds, controlling weeds, and other tillage jobs. Easily installed and removed in only a few minutes. Full 30-in. tilling width provides good productivity. Tines are offset to one side so tire tracks can be eliminated.
X500, X520, X530, X540 (Two 42-lb. weights required on front of tractor) SKU23030 $1,639.00

2 42-in. Hydraulic Tiller
A real time saver in preparing seedbeds, controlling weeds, and other tillage jobs. Tiller is quiet, powerful, and will till up to 6 inches deep. Can be operated with the tine shaft turning in conventional direction for garden tilling or counter-rotating for jobs like sod breaking.
X530, X540 (Requires four 42-lb. weights for front ballast. X530 also requires BM23621 Front Weight Bracket.) X700 Series (160 lb. of front ballast and 3-Point Hitch required.) SKU23042 $2,449.00

Adjustable Skid Shoes
Installed on each side of the tine housing and adjustable to six positions to control tilling depth. Makes operation easier and tilling depth more precise.
42-in. Hydraulic Tiller (Image not shown.) BM19406 $203.00
3 25-Bushel Frontier Manure Spreader
Manure spreader can be used to evenly spread manure or mulch. Galvanized steel sides and poly bonded plywood floors are corrosion resistant. Simple ground-driven adjustable ratchet apron drive.

X700 Series 0801XF (M51102G) $2,775.00

4 48-in. 647 Rotary Tiller, 3-Point Hitch
Heavy-duty 3-point hitch design that is ideal for preparing seedbeds, controlling weeds, and other tillage jobs for homeowners, golf courses, estates, nurseries, etc.

X700 Series (Requires 540 RPM Rear PTO, Category 1 3-Point Hitch, and 160 lb. of front ballast.) 0205LV $2,360.00
Drive shaft 1001 $30.00
Total for 647 Rotary Tiller $2,390.00

5 45-Gallon 3-Point Hitch Sprayer
Boom sprays a wide 120-in. width. A 19-ft. hose and handgun with 14-in. wand are provided for spraying trees or other remote areas that cannot be reached with the sprayer itself. iMatch compatible.

X700 Series (Requires Category 1 3-Point Hitch and 160 lb. of front ballast.) LP20840 $774.95
160 lb. of front ballast.

6 Plow, Single-Bottom, 3-Point Hitch
Suited for a variety of primary tillage operations on land previously used for growing grasses, grains, vegetables, and other crops. It buries the crop residue and leaves a clean soil seedbed on top.

X700 Series (Requires Category 1 3-Point Hitch.) LPPP1200JD $569.00

7 Cultivator, 3-Point Hitch
Excellent for cultivating a variety of garden, vegetable, and grain plants. Can also be used for finishing fields and preparing seedbeds after primary tillage. Shank spacing can be adjusted to meet a wide variety of row spacing and crop needs.

X700 Series (Requires Category 1 3-Point Hitch.) LPCC1000JD $349.00

8 60-in. Frontier Rear Mount Blade, 3-Point Hitch
Excellent for leveling and grading in a variety of situations including gravel roads, driveways, and landscaping. Features full radius moldboard, tubular steel frame, and iMatch compatibility.

X700 Series (Requires Category 1 3-Point Hitch and 160 lb. of front ballast.) 1291XF (RB2060L) $490.00

9 48-in. Frontier Box Blade, 3-Point Hitch
Can be used for a variety of jobs, including moving material, backfilling, grading, landscaping, and leveling. Features replaceable hardened scarifier points and iMatch compatibility.

X700 Series (Requires 3-Point Hitch and two 42-lb. weights for front ballast.) 1051XF (BB2048L) $766.00

10 60-in. Frontier Landscape Rake, 3-Point Hitch
Clears rock or debris and levels soil while preparing a seed bed. Features tubular steel frame and pivot, heat treated tines, and iMatch compatibility.

X700 Series (Requires Category 1 3-Point Hitch and 160 lb. of front ballast.) 1191XF (LR2060L) $738.00

11 Disk Harrow, 3-Point Hitch
Use a disk harrow to transform chunky, plowed ground into uniform pulverized soil for seedbeds. Adjustable 42-in. to 52-in. with 11-in. disk blades and iMatch compatibility.

X700 Series (Requires Category 1 3-Point Hitch and 160 lb. of front ballast.) LPDD1000JD $699.00
When push comes to shove, you’ve got plenty of choices, no matter the time of the year or the type of job.
1. **Front Blade**
   Excellent for pushing snow or other loose material straight forward, to the right or left. Blade surface is curved to roll rather than push material, which requires less power and increases blade capacity.
   - 46-in. - Fits all 100 Series: BG20020 $298.00
   - 44-in. - X300 Series: SKU23044 $539.00
   - 48-in. - X500 Series: SKU23048 $754.00
   - 54-in. - X700 Series ( Requires Front Quick Hitch and Hydraulic Angling, X700 model must also have the BM20761 Hydraulic Coupler Kit.): 1491M $515.00

   **Rubber Blade Squeegee Kit**
   Cleans wet or slushy snow more effectively while preventing scratches to the driveway surface.
   - For 44-in. Front Blade: AM132109 $69.68
   - For 48-in and 54-in. Front Blade: AM31436 $71.76
   (image not shown)

2. **Heavy-Duty Skid Shoe for Front Blade**
   Extra-wide shoe is made of high-carbon heat-treated steel to provide significant wear-life improvement in commercial applications or abrasive conditions.
   - For 44-, 48-, or 54-in. Front Blade, two required: AM119321 $51.49

3. **Manual Angling Kit**
   Allows angling blade from the tractor seat for operator convenience.
   - For 44-in. Front Blade: LP33712 $164.95
   - For 48-in. Front Blade: BM23448 $237.00

4. **40-in. Tractor Shovel**
   Allows tractor to pick up and move material. The blade’s opening design and lift height assure complete emptying of material. When the scoop is raised, the 54-in. Front Blade can be used to doze, scrape, or level material.
   - X300 and X500 Series: LP40000 $899.95

5. **54-in. Tractor Shovel**
   Allows tractor to pick up and move material. The blade’s opening design and lift height assure complete emptying of material. When the scoop is raised, the 54-in. Front Blade can be used to doze, scrape, or level material.
   - X700 Series (Requires 54-in. Front Blade.): LP54000 $744.95

6. **45 Loader**
   Includes 48-in. bucket for snow removal, grounds maintenance, landscaping, and applications where loading and movement of material is required. Excellent for spreading and leveling, transporting and loading, and scraping and piling yard materials.
   - X700, X720, X728, X740, X748 (Appropriate tractor ballast and Hydraulic Cylinder Lock-Out Valve required. X700 model requires Hydraulic Coupler Kit.): 3990M $3,489.00

   **Regenerative Bucket Kit**
   The regenerative bucket kit is available to improve bucket cycle times.
   - For 45 Loader: BM22220 $65.00
   (image not shown)

7. **44-in. Snow Blower**
   Capacity to handle big snow removal jobs. Works well in all snow conditions. Ideal for home and estate owners in all snow regions.
   - 100 Series U.S.: 7005M $1,399.00
   - X300 Series, X500, X520: SKU23045 $1,529.00
   - (X300/38X, X300/42X, X300/42M SN - 150,000), (X304 require Lift Assist Spring Kit.):

8. **Plastic Skid Shoe**
   Reduce scratching of driveway and sidewalk surfaces. Reversible for maximum life.
   - 44-, 47-, 54-in. Snow Blowers, two required: M157831 $17.17
### Lift Assist Spring Kit
Lowers the effort required to operate implement lift system. Kit includes spring, hardware, decal, and installation instructions. Required for use of 44-in. snow blower on a X300 or X304 Tractor.

- X300/38X, X300/42X, X300/42M (SN -150,000), AM136646 $84.24
- X304

### 47-in. Snow Blower (X530, X534, X540)
Capacity to handle big snow removal jobs. Works well in all snow conditions. Ideal for home and estate owners in all snow regions.

- X530, X534, X540 SKU23047 $1,729.00

### Quick-Hitch Snow Blowers (X700 Series)
Ideal for home and estate owners in all snow regions. Has the capacity to handle big snow removal jobs. Works well in all snow conditions and is suited for when snow must be moved long distances.

- X700 Series 47-in. Snow Blower (Requires Front Quick-Hitch, 2000 RPM Mid-to-Front PTO, and Implement Drive and Upstop. X700 model must also have the Hydraulic Coupler Kit.) 1473M $2,090.00
- X700 Series 54-in. Snow Blower (Requires Front Quick-Hitch, 2000 RPM Mid-to-Front PTO, and Implement Drive and Upstop. X700 model must also have the Hydraulic Coupler Kit.) 02C1M $2,500.00
- Implement Drive and Upstop BM23236 $230.00

Remote Spout Cap Control Kit (47-in. and 54-in. Snow Blower / X700 Series) Flexible cable connects spout cap to the T-handle that is positioned close to the operator. Operator can change angle of discharge deflector on-the-go, without leaving the seat.

- 47-in. and 54-in. Snow Blower on X700 Series BM20960 $230.00

(Continued)

### Heavy-Duty Skid Shoes for Snow Blower
For commercial or high-use applications to provide additional protection and life. Skid shoes allow adjustments for uneven surfaces and reduced wear on the blower.

- 44-in. and 47-in. Snow Blower on 100, X300, X500 Series (Standard equipment on 47-in. and 54-in. Snow Blower on X700 Series)
  - Left-side AM122263 $55.13
  - Right-side AM122264 $55.13

### Drift Blade for Snow Blower
Use on either side of the snow blower to suit conditions. Slices through snow that is higher than the auger housing so snow feeds into the auger rather than falling on the machine.

- 44-in, 47-in. and 54-in. Snow Blower M88994 $27.83
- Bolts (2 required) 19H1914 $0.38
- Lock Nuts (2 required) N10217 $0.41
- Total for Drift Blade $29.41

### 52-in. Quick-Hitch Rotary Broom
The broom is a four-seasons implement designed to increase the versatility of the tractor so it can perform a variety of sweeping jobs.

- X700 Series (Requires Front Quick-Hitch, Hydraulic Angling, 2000 RPM Mid-to-Front PTO kit and implement drive shaft. X700 model must also have the Hydraulic Coupler Kit.) 3880M $2,100.00
- Implement Drive Shaft BM21854 $259.00

### Electric Lift Kit (X300 and X500 foot lift tractors)
Takes the effort out of raising and lowering front blade and snow blower implements. For all X300s and X500s equipped with foot lift, except the X300R Rear Discharge Tractor. Convenient dash-mounted switch is included. It allows the operator to adjust down force and set implement height while working.

- LP33711 $399.95
16 60-in. Heavy-Duty Rotary Broom
The broom is a heavy-duty four-seasons implement designed to increase your tractor’s versatility.

X700 Series (Requires Mounting Frame, Front Quick-Hitch, Hydraulic Angling, 2000 RPM Mid-to-Front PTO kit and implement drive shaft. X700 model must also have the Hydraulic Coupler Kit.)

Implement Drive Shaft  BM21854  $259.00
Mounting Frame  BM20626  $406.00

17 Front Quick-Hitch and Hydraulic Lift
Hitch is required on X700 Series with snow blower, front blade, rotary broom, or tractor shovel.

X700 Series  BM19782  $637.00

18 Hydraulic Cylinder Lockout Valve

X700 Series  AM134625  $99.84

19 Hydraulic Angling (X400/X500 HDGTs, X700s)
Provides 0- to 27-degrees angling to the right or left using the tractor’s hydraulics. Required for some Front Quick-Hitch-mounted implements.

X700 Series  BM20837  $196.00

20 2000 RPM Mid-to-Front PTO Kit
Required to operate snow blower, rotary broom, or other 2000 RPM-powered front implements.

2WD - X700, X720, X724, X740, X744  BM20991  $243.00
4WD - X728, X729, X748, X749  BM22560  $259.00

21 Hydraulic Coupler Kit
Four quick-disconnect couplers, protective covers, and color-coded decals for use with hydraulic-controlled implements such as blades and snow blowers. Standard on some tractor models.

X700 Model Tractor  BM20761  $50.00
**1 48-in. Leaf Bagging Kit**

Kit improves mower’s vacuum performance for better collection of leaves and dry grass. Includes front- and left-side baffles and attaching hardware.

Fits all 48-in. 100 Series mower decks and 48-in. mower on Z245

4 Mulch Covers
The Mulch Cover keeps material under the mower deck where it is cut into smaller pieces before falling to the ground.
Fits all 42-in. 100 Series mower decks  GY00115  $27.98
Fits all 48-in. 100 Series mower decks  GY20417  $37.54

5 Mower Deck Wear Plate (38-in. Mower)
Wear plate can be bolted to right rear corner of mower deck. Increases mower deck life by reducing wear in the highest wear area; especially suited to sandy conditions.
For 38-in. mower on X300  AM108476  $150.80

6 Front Blowout Baffle for 42-in. mower
Kit improves the mower deck vacuum performance when bagging leaves or other dry material.
X300, X304, X310 and Z225 side discharge mower  BM20505  $35.00

7 Mower Leaf Bagging Kit
Improves mower vacuum performance when using Power Flow blower. Needs to be removed for high-moisture grass or for mulching attachment. Includes left front, right front, and left side baffle.
For 48-in. mower on X320, X324, X360 (shown in photo), Z425, Z445, X500 & X700 Series  BM19894  $92.00
For 54-in. mower on X340, Z425, Z445, X500 & X700 Series (except Z445-54HC)  BM20985  $114.00
62-in. mower deck on X700 Series (shown in image)  BM20986  $127.00

8 Mower Leaf Mulcher Plate Assembly (38-in.)
Provides an inexpensive means of mulching grass and leaves. Plate keeps material under the mower until it is chopped into small pieces by the rotating blades and blown to the ground.
X300 with 38-in. mower (Requires 2-03H2272 Bolts and 2-14H819 Nuts.)  M150883  $34.60
Bolts (2 required)  03H2272  $0.44
Nuts, forged wing (2 required)  14H819  $1.62
Total for Leaf Mulcher Plate Assembly (38-in.)  $38.72

9 42-in. Rear Discharge Mulch Plug Attachment (X300R)
An optional mulch plug is available. Plug closes off opening on bottom of deck so material cannot enter the blower.
Fits Select Series X300R Tractors.  BM22326  $109.00

10 Mower Lip Kit (38-in. mower)
Lip can be bolted to the bottom of mower deck to reduce clipping drop; particularly important for full leaf and pine needle pickup.
Left - For 38-in. mower on X300  AM103851  $150.80
Right rear - For 38-in. mower on X300  AM103852  $66.56

11 Anti-Scalp Wheel Extension Kit
Designed to give a more uniform cutting height when mowing at 3-in. or higher by allowing the wheel to be adjusted to a lower setting.
For 38-in, 42-in, 42M mower on X300, X304, X310  BM22550  $53.00

Anti-Blowout Kits
Improves mower vacuum performance when using Power Flow blower. Needs to be removed for high-moisture grass or for mulching attachment. Includes left front, right front, and left side baffle.
For 48-in mower on Z425, Z445, 48X on X300s, X500s, X700s (image not shown)  AM133764  $45.23
For 54-in. mower on Z425, Z445, 54X on X300s, X500s, X700s (image not shown)  AM133765  $46.02
For 62-in. mower on Z465, 62X on X700s (image not shown)  AM133766  $49.14
Tow-Behind Attachments
Front Thatchers

1 Utility Cart, Poly

Poly Cart is rust- and dent-resistant and can be used to haul a variety of materials. Easy dump release; steep angle for complete emptying.
7P (7 cu. ft.) - For use on all John Deere Riding Lawn Tractors and EZtrak Mowers
LP21935 $199.00
10P (10 cu. ft.) - For use on all John Deere Riding Lawn Tractors and EZtrak Mowers (shown)
LPCT10JD $239.00
17P (17 cu. ft.) - For use on all John Deere Riding Lawn Tractors
LPCT17JD $369.00
8Y (8 cu. ft.) - For use on all John Deere Riding Lawn Tractors. Converts from tow-behind to push cart
LP22755 $199.00

2 Utility Cart, Steel

Steel cart hauls a variety of materials. Bracketless tailgate means no side channels to obstruct materials when emptying. Recessed bolt heads are out of the way when shoveling.
13 (13 cu. ft.) - For X500 and X700 Series (shown)
LPHDC13JD $379.00
18 (18 cu. ft.) - For X500 and X700 Series
LPHDC18JD $469.00
21 (21 cu. ft.) - For X700 Series
LPUT21JD $899.00

*The loaded weight of the utility cart not to exceed the weight of the tractor and operator. The loaded weight of any attachment towed by an EZtrak mower not to exceed 250 lbs.

3 36- x 18-in. Lawn Roller

Packs down new sod, seed, and mole ridges. Polyethylene drum will not dent or rust. Rounded ends will not gouge the lawn or make ruts. 390-lb. weight, 42 U.S. gallon (159 Liter) capacity.
For use with all John Deere Riding Lawn Tractors
LPRRT36JD $229.00

4 Tow-Behind 40-in. Thatcherator shown with extension

Can be used as a dethatcher, aerator, or for preparing an area for new seed. Twenty spring-loaded tines give maximum performance. 3-position adjustment. Weight tray allows for increased scratching power. 8-in. extension available for widths of 48- and 56-in.
For all John Deere Riding Lawn Tractors
LPTA40JD $229.00

8-in. Thatcher (Extension) - Extension is available to provide 8-in. or 16-in. additional width.
For 40-in. Thatcherator. Add 1 or 2 extensions to 40-in. Thatcherator as needed to approximate mower width.
TY13036 $49.00

5 38-in. Front Thatcher (Center) shown with extension

Used on a regular basis, reduces excessive thatch buildup that can be damaging to a lawn’s health. Since it provides more gentle, less aggressive action than a power rake, it can be used as a preventative maintenance tool each time the lawn is mowed.
X300, X500, X700 Series [Requires Thatcher Mounting Frame.]
SKU13056 $199.00
Thatcher Mounting Frame (X300, X500 Series) BM24000 $187.00
Thatcher Mounting Frame (X700 Series) BM20853 $196.00
Total for 38-in. Front Thatcher (X300, X500) $386.00
Total for 38-in. Front Thatcher (X700) $395.00

8-in. Front Thatcher (Extension) - Extension is available to provide 8-in. or 16-in. additional width.
For 38-in. Front Thatcher
TY13036 $49.00

6 40-in. Spike Aerator

Penetrates soil, allowing air, water, and nutrients to enter the lawn relieving soil compaction. 40-in. width with 10-in. diameter steel tine stars give up to 2-in. penetration. Pneumatic tires for easy pulling. 100-lb. capacity weight tray.
For use with all John Deere Riding Lawn Tractors
LPSA40JD $299.00
7 40-in. Aerator Spreader
Does two jobs at once: perforates the soil while the calibrated drop-spreader follows with seed, lime, or fertilizer. May also be used to just aerate the lawn. Up to 2-in. penetration. 75-lb. spreader capacity with pneumatic tires for easy pulling, and 75-lb. capacity weight tray.
For use on all John Deere Riding Lawn Tractors. LPAS40JD $409.00

8 40-in. Plug Aerator
Removes plugs of soil up to 3-in. deep to allow penetration of air, water, and nutrients and help relieve soil compaction. Pneumatic tires for easy pulling. 175-lb. capacity weight tray.
For use on all John Deere Riding Lawn Tractors. LPPA40JD $399.00

9 45-Gallon Tow-Behind Sprayer
Boom sprays a wide 120-in. width. A 19-ft. hose and handgun with 14-in. wand are provided for spraying trees or other remote areas that cannot be reached with the sprayer itself.
For use on all John Deere Riding Lawn Tractors. (X700 Series require AM105666 Wiring Harness Extension.)
25-Gallon Tow-Behind Sprayer - Boom sprays a wide 90-in. width.
For use on all John Deere Riding Lawn Tractors. (X700 Series require AM105666 Wiring Harness Extension.)
15-Gallon Tow-Behind Sprayer - Boom sprays a wide 60-in. width.
For use on all John Deere Riding Lawn Tractors. (X700 Series require AM105666 Wiring Harness Extension.)

10 25-Gallon Portable Sprayer
Four rubber feet protect the tank and stabilize it when placed in a cart. A 19-ft. hose with handgun and 14-in. wand are provided for spraying trees, shrubs, etc.
For use on all John Deere Riding Lawn Tractors. LP19490 $279.95

11 42-in. Lawn Sweeper
Hauls 17 bu. of material. Convenient brush-height adjuster has eight positions. Premium features: adjustable hitch, large 12-in. x 3-in. wheels, and collapsible for storage.
For use on all John Deere Riding Lawn Tractors and EZtrak Series. LPS542JD $349.00

12 Push-Type Spin Spreader (Homeowner)
Convenient to use for spreading seed, fertilizer, insecticide, and salt. Stainless steel hopper and major components. The spreader shutoff is located at the operator station.
50 lb. (Includes cover and deflector) LPP31340 $229.00
50 lb. Round (Includes cover and deflector) LP22875 $169.00
50 lb. Dual Handle LPP31341 $249.00
80 lb. LP21789 $299.00

13 Pull-Type Spin Spreader
Convenient to use for spreading seed, fertilizer, insecticide, and salt. Polyethylene hopper will not dent or rust. Stainless steel is used for critical components. Large pneumatic tires and solid-steel axles ensure a positive drive.
125 lb. - For use on all John Deere Riding Lawn Tractors LP25353 $319.00
175 lb. - For use on all John Deere Riding Lawn Tractors LP25354 $359.00
3.5 cu. ft. (175-lb, green) - For use on all John Deere Riding Lawn Tractors LPBS36JD $259.00

14 Frontier Broadcast Spreader – Pull-Type Hitch
Spreader can handle 226 lbs. (SS1022B) or 362 lbs. (SS1035B) of material such as seed, fertilizer, or salt. The one-piece seamless, all-steel hoppers are built strong to endure heavy use and rough handling.
For X300, X500 and X700 Series Tractors 3061XF (SS1022B) $700.00
3068XF (SS1035B) $960.00

15 Electric Broadcast Spreader
Spread up to 125 lbs. of material such as seed, fertilizer, insecticide, or salt. Durable construction and design allows for constant spreader speed. Easily mounts to the CargO Mount™ or Click-N-Go™ brackets. Optional barrier shield also available.
For X300 (excluding X300R), X500 and X700 Series Tractors
Barrier Shield LP23117 $63.35
Parts and Attachments

Can you customize a John Deere? Sure you can. From lights and fans to bumpers and covers, we’ve got the means to get you even more attached to your favorite lawn machine. And don’t forget: nothing is better for your John Deere than the original parts meant for it.

1 Spark Arrester Muffler Screen
Satisfies California law requiring use of a spark arresting muffler under certain conditions; also for other areas when needed to comply with local ordinances or customer requests.

5 12-Volt Work Light Kit
35-watt sealed-beam bulb provides additional lighting. Swivels and tilts, so beam can focus on work area. Designed for mounting on rear fender by drilling a hole in the desired location.
X300, X500, and X700 Series  BM17981  $47.00

6 Halogen Headlight Kit
Two 75-candlepower halogen bulbs provide over twice as much illumination as the standard 32-candlepower incandescent bulbs.
X520, X534, X540  BM21289  $53.00

7 Front Bumper
The front bumper is an optional attachment for lawn tractors. It offers additional front-end protection, and gives the tractor a more aggressive appearance.
Double bar - Fits all 100 Series. [shown in photo]  BC20436  $69.00
Single bar - For X300 Series tractors  BM23056  $57.00

8 Brush Guard
The brush guard adds a distinctive appearance and protects the front end of the tractor from damage.
For X300, X500 Series tractors  BM23057  $114.00
X700 Series tractors (shown in photo)  BM20880  $230.00

9 Seat Net Kit
Seat net kit attaches to back of tractor seat to provide a convenient storage pocket for gloves, etc. Not for use on 21-in. high-back seats on X534 and X540.
X300 and X500 Series  AM136046  $28.05

10 Debris bag
Saves time - continue mowing while picking up debris. Includes pocket that is ideal for water bottle, insect repellent, pruning shears, etc. Attaches with hook-and-loop fasteners.
Fits all John Deere Riding Lawn Tractors.  TY25341  $12.99

11 Seat Cover
Protects new seats and renews old seats. Cushioned seat for extra comfort.
EZtrak Series - Without armrests  LP92724  $35.99
EZtrak Series - With armrests  LP92734  $38.99
Riding Mower (S) - 11-in. seat  LP22704  $25.99

Deluxe (M) - up to 15-in. seat  LP92624  $42.99
Deluxe (L) - up to 18-in. seat  LP92634  $44.99
Hydration - up to 15-in. seat. Features hydration pack. (shown)  LP20936  $59.99
Heated Seat Cover - up to 15-in. seat  LP21787  $79.99

12 Walk-Behind Mower Cover
All-season protection for the mower and attached catcher on rear discharge mowers. Back closure makes installation and removal a snap.
Walk-Behind Mowers  LP93707  $24.99

13 EZtrak Riding Mower Cover
Heavy-duty coated fabric provides protection for EZtrak Mowers. Reinforced air vents let air circulate and help prevent ballooning from wind.
EZtrak Series  LP98107  $85.99
15 Riding Mower Standard Cover
Coated fabric for all-season protection of ride-on equipment. Dual vents let air circulate and help prevent ballooning in wind. Elastic cord in bottom hem provides a quick, custom-like fit.
100 Series, X300, and X500 Series except X300R
LP93917 $69.99

16 Riding Mower Deluxe Covers
Heavy-duty coated fabric for extra protection of ride-on equipment. Reinforced air vents let air circulate and help prevent ballooning in wind. Has interior lining and muffler heat shield.
Medium - Fits 100 Series, X300 Series except X300R
Large - Fits X300, X500, and X700 Series.
LP93617 $89.99
LP93647 $99.99

17 TerraGrip Traction Belt
TerraGrip Traction Belts are the innovative traction aid designed to protect the driving surface. They offer enhanced traction on all surfaces and outperform traditional chains in snow, mud, dirt and wet asphalt or concrete. On top of that, they will not scratch or chip concrete, asphalt or aggregate drive or walkways.

X500 4-Wheel Steer Models - Require Wheel Stop Adjustment (see Tractor Manual)
X700 4-Wheel Steer Models - Require Wheel Spacer Sold Separately (see Tractor Manual)

18 Wheel Spacer Kit
Allows the use of tire chains on X729, X749 tractors. Spacers simply bolt to the axle hub and the tires to the spacer. Overall machine width is increased by 1.5-in.
X729, X749 when installing tire chains
BM22725 $145.00

19 Quik-Tatch Weight, 42 lb.
Use these cast-iron weights to counterbalance a heavy attachment and/or provide greater traction and stability. Some vehicles have built-in front and/or rear weight brackets to hang the weights on; others require a weight bracket that must be ordered separately.
No box - 100 Series, X300, X500, and X700 Series
(RR66949 $57.00
X729, X749 when installed on Front Bumper of X700 Series Tractor, M147986 Rod and (2) M40461 Spring Clips are required.)

20 Weight Brackets
Provides a tractor-mounted bracket required on some tractor models for hanging two or more 42 lb. Quik-Tatch weights.
Rear, 2 weight - X304, X324; 4 weight - M534
BM24011 $81.00
Front, 4 weight - Fits all X300s, X500 (SN020001-), X530, X534 (SN060001-).
BM23621 $54.00
Front, 9 weight - X700 Series
BM20957 $173.00
Rear, 6 weight - X700 Series (requires BM20714 Click-N-Go bracket.)
BM20779 $144.00

21 Tire Chains (Pair)
Recommended for use with snow blower, front blade, etc. Use first and second number of tire size to select chains. Third dimension is rim diameter, which does not usually affect chain size.
20x8-8 in. turf tires
TY15959 $60.51
20x10-8 in., 20x10-10 in. turf tires
TY16200 $70.96
22x9.5-12 in. turf tires
TY25229 $65.05
22x11-10 in. turf tires
TY24327 $76.64
23x9.5-12 in., 24x9.5-12 in. turf tires
TY26227 $90.48
23x10.5-12 in. turf or bar tires
TY15956 $81.08
24x12.00-12 in. turf or HDAP tires
TY24328 $89.40
26x10.50-12 in. turf tires
TY25326 $89.40
26x12.12 in. turf, bar, or HDAP tires
TY15958 $97.67
22 Wheel Weights
Weights for front wheels are recommended with rear grass baggers on slopes and may be required with heavy rear-mounted equipment. Rear weights are recommended for additional traction, especially with snow blowers, front blades, and tillers. Some applications require drilling two holes in wheel rim to mount the weight. Contact dealer for the right combination of weights and mounting hardware for your tractor and attachments.

Cast-Iron Wheel Weights
Durable cast-iron wheel weights are mounted to tractor wheels.  
34 lb. - 5-inch or 6-inch rim (1-weight) (Requires Mounting Hardware BM17979.)  
30 lb. - 8-inch rim (1-weight) (Requires Mounting Hardware BM17978.)  
Wheel Weight Mounting Hardware (1)  
BM17978  $9.00  
BM17972  $11.00

Plastic-Shell Wheel Weights [Includes mounting hardware] Plastic-shell wheel weights provide traction and stability at a lower cost for popular applications.  
31 lb. - 8-inch rim (2-weights)  
BM19123  $60.00  
50 lb. - 12-inch rim (1-weight)  
BM17976  $61.00

72-lb. Cast-Iron Starter Wheel Weight [1] (Requires mounting hardware) 72-lb. cast-iron starter weights can be bolted to the 12-inch rims of X700 Series 2-wheel steer tractors. Additional 50-lb. cast-iron wheel weights may be added to the starter weight.  
X700, X720, X728, X748 [Requires Engine Block Heater Adapter.]  
BM17973  $167.00  
BM18089  $15.00  
BM18101  $27.00

Special Edition Weight Adapter [1] For installing a rear cast-iron or plastic-shell wheel weight on special-edition tractors. Provides hole locations needed for wheel weight mounting hardware.

23 Ballast Box
Allows weight to be added to the rear of a tractor for improved traction and stability when using the 45 Loader or front-mounted equipment.
For Category 1, 3-Point Hitch - X700 Series (Requires Cat. 1, 3-Point Hitch.)  
BW14313  $267.00  
For use with Click-N-Go Brackets - X700 Series (Requires BM20714 Click-N-Go Brackets.)  
BM20715  $261.00  
For use with iMatch Hitch. (Requires category 1 3-Pt hitch and LV124x24 iMatch hitch.)  
BW15073  $238.00

24 1.875-in. (48-mm) Ball for Hitch  
1-7/8-in. [48 mm] ball hitch. Attaches to drawbar or rear hitch to allow towing. 0.75-in. diameter post thread.  
X300, X500 and X700 Series  
PM05101  $9.09

25 Engine Coolant Heater (110 Volt)  
Attaches to the engine cylinder block. Plugs into a 120-volt electrical outlet to warm a diesel engine for fast cold weather starts. 400 watt rated output.  
X740, X744, X748, X749 [Requires Engine Block Heater Adapter.] (shown in image)  
AR87167  $75.19  
Engine Block Heater Adapter (SN - 060000)  
AM134805  $59.28  
Engine Block Heater Adapter (SN 060001-)  
MIA881629  $29.14
29 Fuel Protect
For gasoline engines. John Deere Fuel Protect is a unique formula developed to ensure optimum performance and protection year round. Ensures quick starts in all 2- and 4-cycle engines.
8 oz TY27534 $4.49

30 Auxiliary Alternator Kit
Operates in parallel with standard 20-amp gas engine-equipped alternator to bring the total of 12-volt electric power to 40 amps for operating sprayer, optional cab equipment, etc.
X700, X720, X724, X728, X729 BM23194 $358.00

31 Home Maintenance Kit
A convenient way to obtain maintenance parts as specified in the operator’s manual; includes engine oil filter, engine oil, fuel filter, fuel filter element, air filter element foam, and spark plug(s).

32 Mower Deck Leveling Gauge
Allows quick and accurate mower deck leveling and cutting height adjustment.
All vehicles with mower decks AM130907 $6.95

33 Bucket (5 gallon)
This black 5-gallon bucket perfectly complements the CargO Mount single and double bucket holders. It is made of sturdy black plastic.
100, X300, X500, and X700 Series with Bucket Holder LPJD400 $8.95

34 Bucket (6 gallon with lid)
This versatile six-gallon plastic bucket includes a lid. It is 16.5-in. tall.
100, X300, X500, and X700 Series with Bucket Holder JD01673 $25.99

35 Bucket Holder (Single)
Transporting mulch, plants, or debris is easier with the CargO Mount single bucket holder. For use with any standard 5- or 6-gallon bucket. Will carry up to 50 lb. of material.
